

Feedback for RRMP Literature Review Summative

Tutor completing summative feedback: Karen Outram	Student number: 428449
Details of any extensions etc: 74%	Submission Attempt: First submission Second submission

Criteria and weighting	Level	Comments
Knowledge and understanding of the topic/ issues under consideration (30%) To provide an overview of current knowledge on the chosen topic	Exceptional	You have demonstrated exceptional knowledge and understanding regarding the content and how you have constructed the assignment. It is particularly academically strong, and so do take this approach forward for your future summative.
Criticality (30%) To highlight similar and contrasting views on your chosen topic	Excellent	Excellent critical discussion, with an effective analysis of academic papers, looking at the pros and cons of literature and discussion. Once again appropriately academically structured.
Use of relevant sources (20%) To demonstrate an awareness of relevant, current literature	Excellent	Excellent use of research resources, which are applied effectively to your assignment content. The research is focused and to the point which makes the content academically effective.
Structure and Presentation (as detailed in the assessment guidance) (10%) To showcase your research and writing skills.	Very Good	Very good structure and presentation of the assignment generally. You need to double line space your content for future and apply your list of references to their own page, but other than that, the content is well laid out.
Academic integrity (10%)	Exceptional	Exceptional academic integrity with appropriate use of citation and a strong academic writing tone. The structure of the assignment is academically strong and so do take this approach moving forward.

To showcase your research and writing skills.		
Overall		
<u>Positives:</u> <ul style="list-style-type: none">• Some exceptional outcomes• With an exceptional outcome overall• And very good structure regarding the assignment		
<u>Points for development:</u> <ul style="list-style-type: none">• Double line space your content• Apply your list of references on a separate page at the end of your assignment• Take your current approach forward to your next summative
